SUPPLEMENT

1. The arrest of a Rumanian diplomatic courier upon his return to Rumania in early September reveals penetration by the Rumanian intelligence service of a system of communication linking resistance leaders abroad with those inside Rumania.
2. For some time the courier had been successful in concealing messages in the official diplomatic pouch of the Rumanian Government and smuggling them into and out of Rumania.
3. As a result of the courier's arrest and the alleged disclosure of letters in the pouch addressed to various individuals in Rumania, the following were placed under arrest, presumably at the instigation of the SSI:

Victor Radulescu-Pogoneanu, career diplomat

Mme. Alexandrini (formerly Mme. Balsh) said
to have been employed as a secretary at the
French Embassy.Dodi Georgescu holding the rank of secretary
of legation; former chef-de-cabinet of Tatarescu.
